MEMORANDUM FOR: National Intelligence Officer for the USSR
FROM: Director of Central Intelligence
SUBJECT: "The Target Is Destroyed" by Seymour M. Hersh

You and I and Shultz are the villians in overlooking Jim Pfautz's Air Force evidence and categorically finding that the Soviets knew what they were doing in shooting down the KAL plane. I don't remember any of this. You can get the gist of this from the index under my name and your name and Shultz's use of intelligence information and Pfautz's name.
